

Educator Spotlight

Natalie N.

RECE, BASc, Assistant Supervisor

“I believe that building consistent, trusting relationships with children and their families is the foundation of being an effective educator. When children feel safe, valued, and supported through these partnerships, they are empowered to explore, engage, and grow as confident, capable learners.”

Experience:

I have 9 years of experience working in child care, predominantly in the Infant and Toddler age groups. 5 years of which have been in a supervisor position supporting families and programs.

Favourite Children's Books

- My First 100 Library by Wonder House
- I love how these books support infant and toddler's language development and can be meaningfully extended through all areas of their everyday lives.

Skills and Strengths

- Highly organized and dependable in daily centre operations
- Committed to fostering children's growth, development, and well-being
- Leads with confidence, kindness, and a strong commitment to the centre's success

Education & Qualifications:

- Diploma in Early Childhood Education with Distinction
- Bachelor of Applied Science Early Childhood Studies with Distinction
